SYMPOSIUM POSTERS AND ORAL PRESENTATIONS

The confirmation of accepted posters have been sent. The author(s) of poster abstracts that have been selected to be presented orally have also been informed. See below for details on posters and presentations.

Poster presentations

The author(s) will be responsible for printing the poster and bringing it to the symposium themselves. Each poster will be assigned a number. **Author(s) are asked to check in the poster at the registration desk at the symposium venue between 8:00-9:00.** At check-in they will be provided the poster number and the pins for hanging the poster on the numbered poster board.

Poster dimension: A0 paper size / Portrait orientation / 841 x 1189 mm / 33.1 x 46.8 in

The abstract topic should be presented on the poster using brief written statements and graphic materials, such as charts, figures and photographs. The author(s) will have the opportunity to discuss their posters with participants during the coffee and lunch breaks.

Oral presentations

Twelve poster abstracts have been selected to be presented as an oral presentation during either poster session I or II. The author(s) of the selected poster are asked to prepare a 5-minute PowerPoint presentation (max. 5 slides) that will visually support the verbal presentation of the poster content. Each presentation will be followed by a 5-minute Q&A session.

The **PPT slides must be sent to Michaela Coenen**, a member of the Symposium Organising Committee, Email: michaela.coenen@med.uni-muenchen.de **at the latest by 9 April 2018**.
